

I ❤️ Davening Together

Enriching Communal Prayer

# Davening

verb | to daven | yiddish (dah-veh-n-ing)

**To pray with the unique character, devotion, and heart of thousands of years of Jewish prayer.**

**Davening should speak to  
multiple levels of our identity as:**

**Part of the body of Messiah**

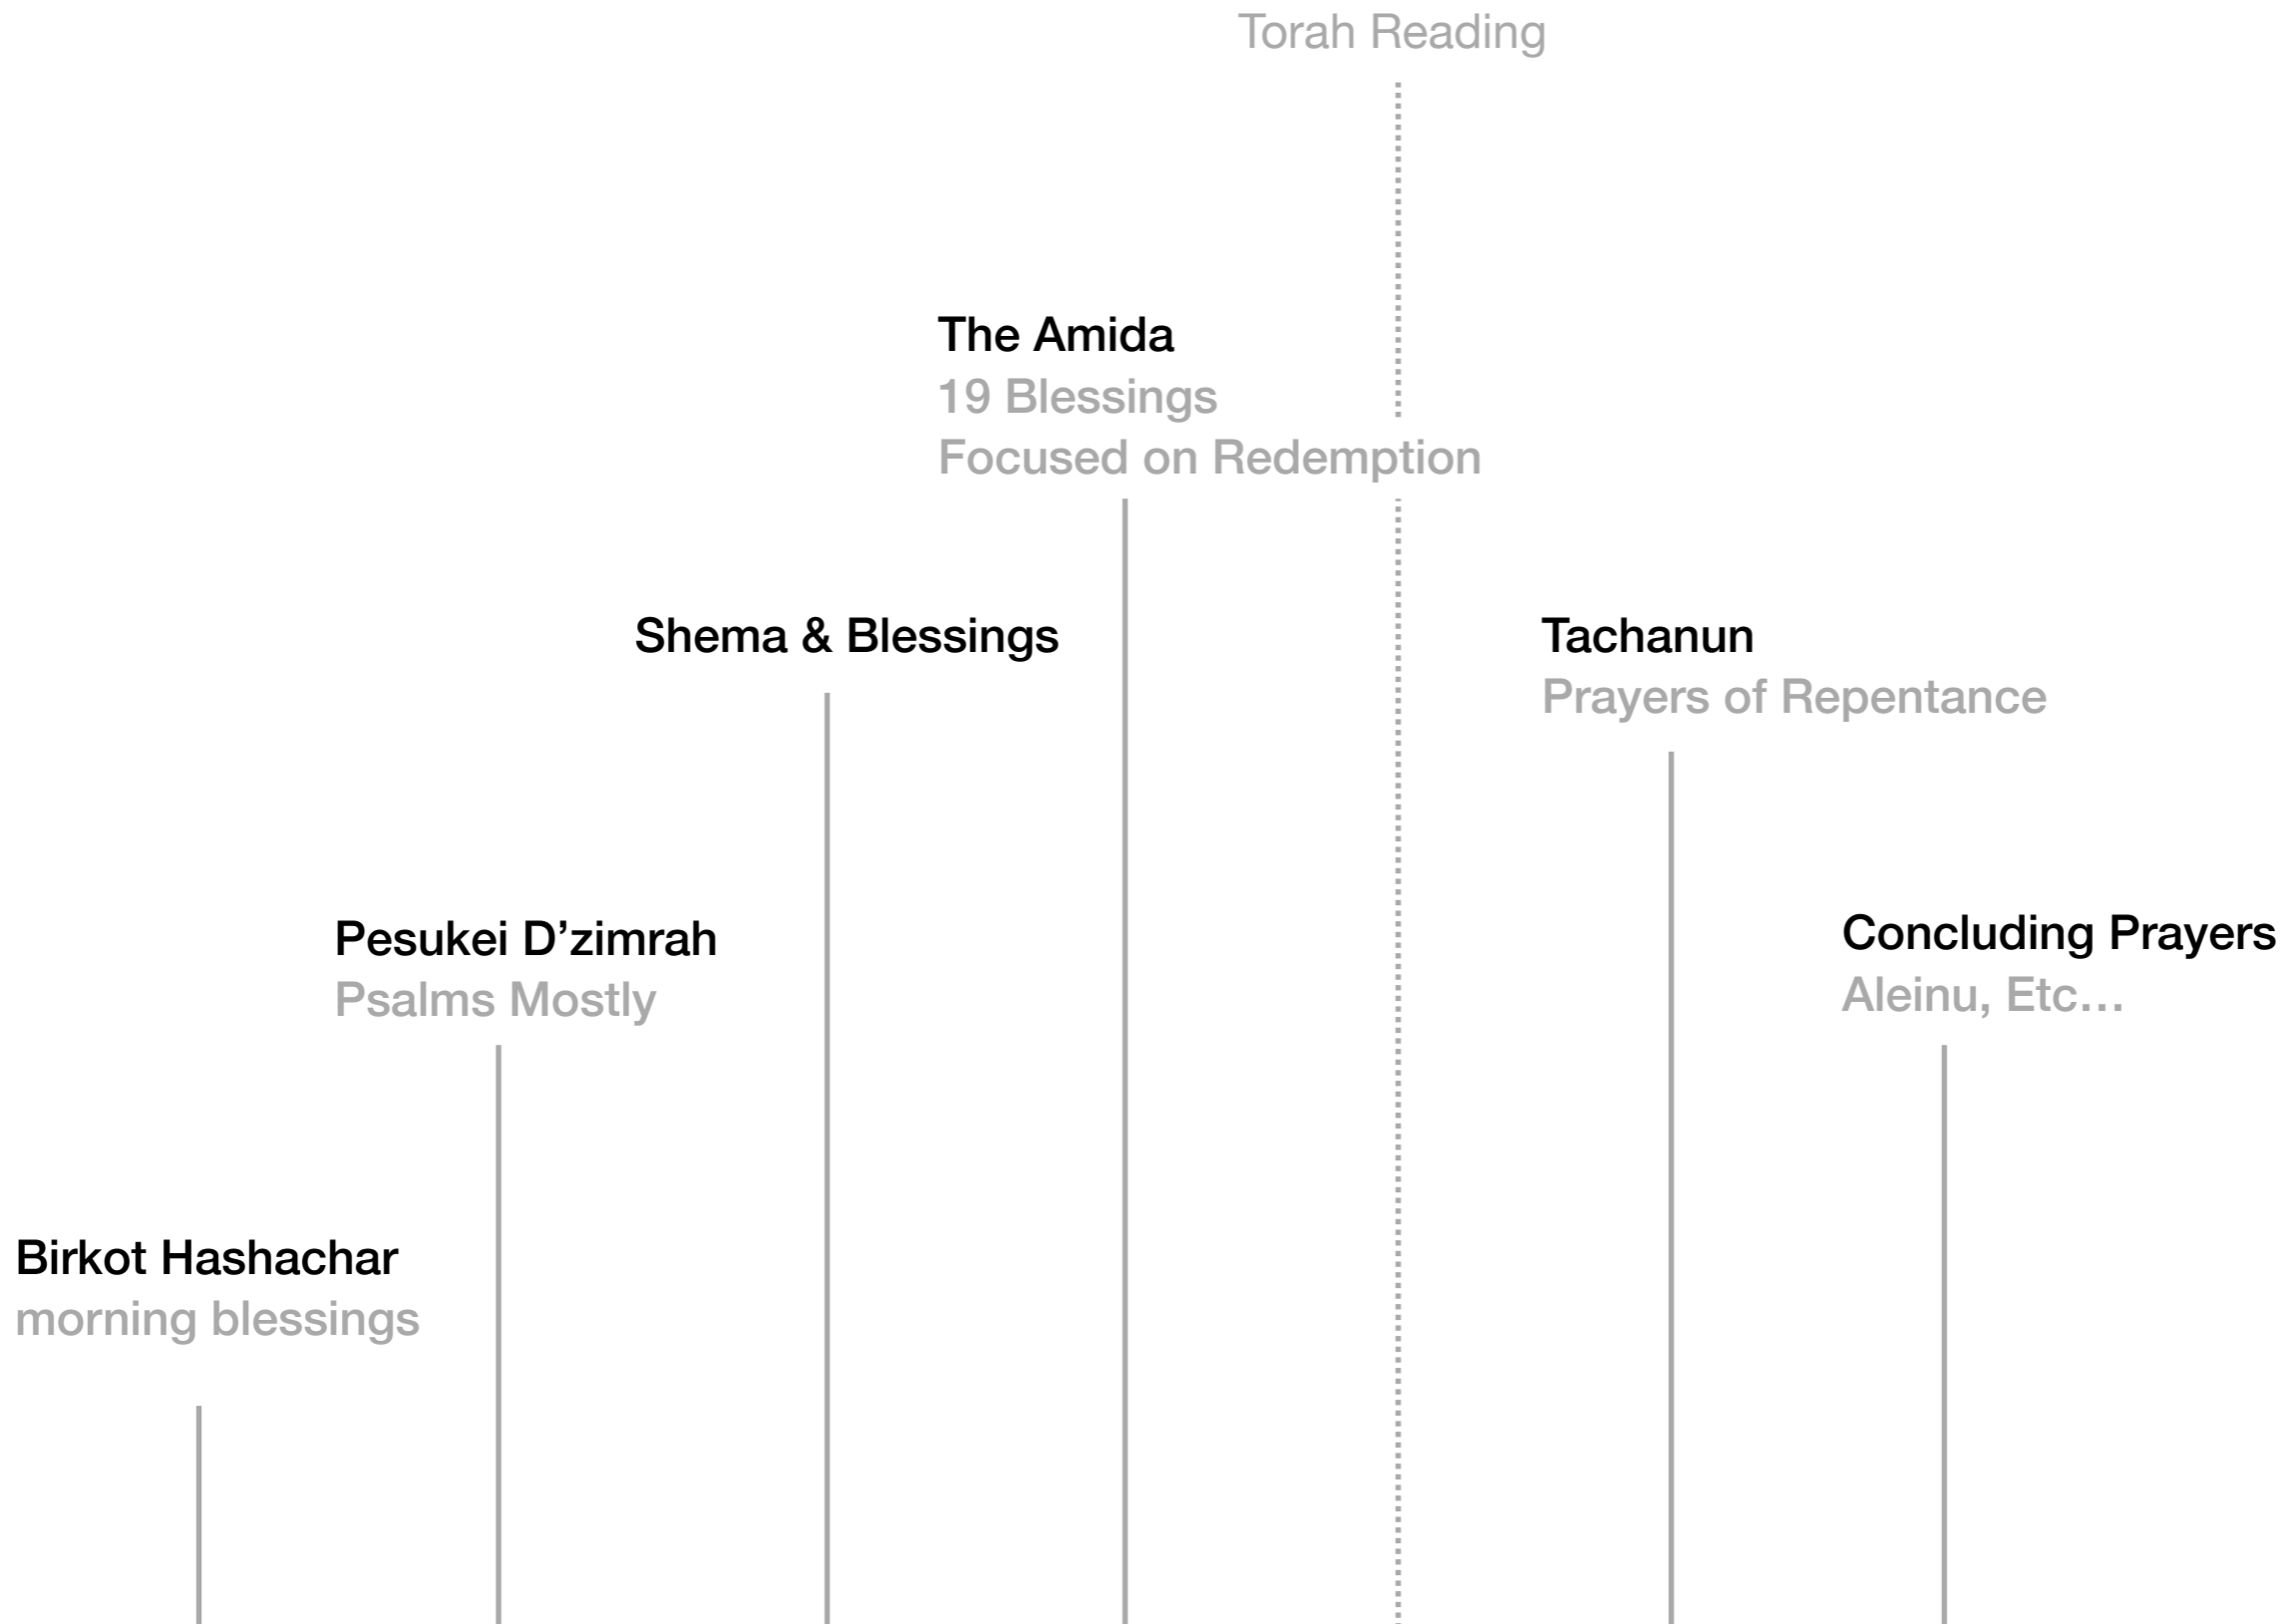

**Part of Am Yisrael**

**Part of our local community**

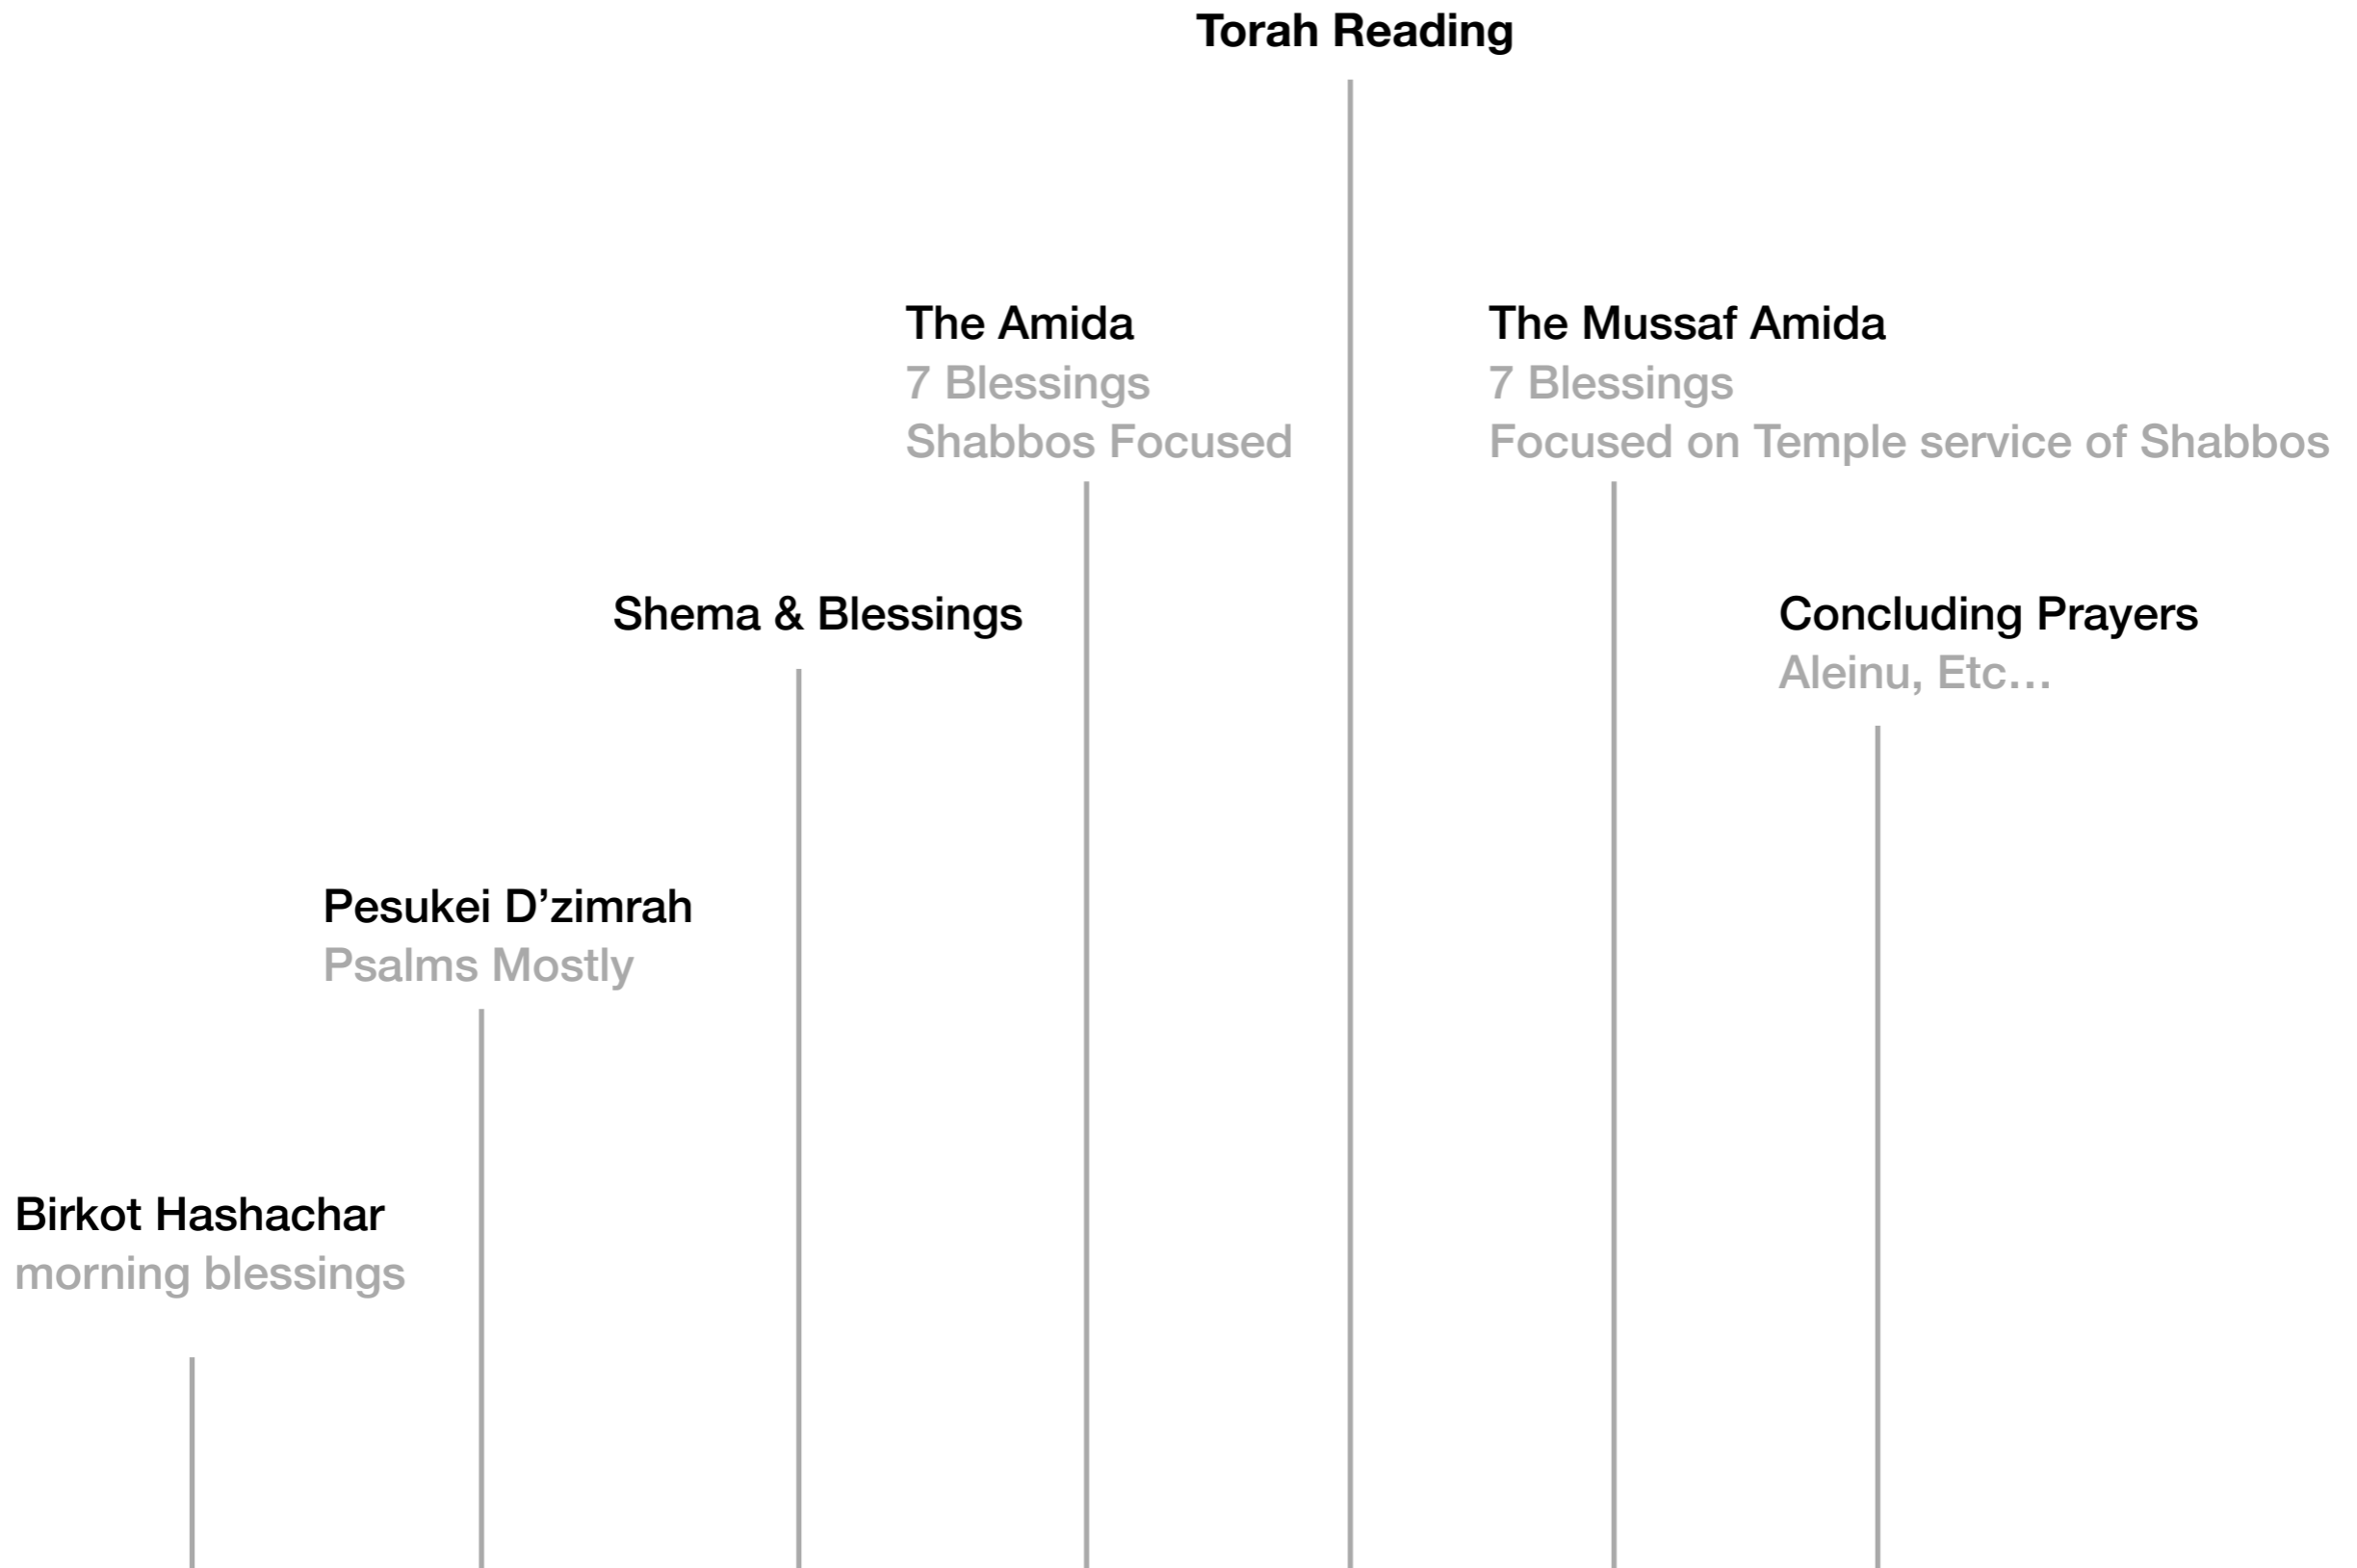

**Part of our family**

**Individuals**
