Shimon Keifa was Petros bar Yonah  
His brother's name was Andrai  
Ya'akov and Yochanan were called Sons of Thunder  
Their father was really Zavdai

Pilippos and Yehudah Toma,  
Netanel bar Talmai  
Mattai Levi and Ya'akov HaKatan  
Who was the son of Chalfai

There was also another Shimon  
This one was called HaKannai  
Another Yehudah, the son of Yaakov  
But everyone called him Taddai

The one who betrayed the Master  
Yehudah Ish Kriyot was dead  
So the shlichim chose Mattityahu  
To be a shaliach instead
